

### DOCUMENTS NEEDED BEFORE YOU FILE YOUR CASE

Last three years of income (W-2 or tax returns)	You will need this to disclose the last three years of income.
Last filed tax return	You will be required to bring this to the hearing. If you are retired, on SSI, or disability and do not file taxes you will need to file an affidavit that you are not required to file and also provide this to your trustee at the hearing.
6 months of paystubs	You need this to calculate your income for the means test (Form 122A)
Pre-Bankruptcy Credit Counseling Course	Your case will NOT be valid unless this course is completed BEFORE filing
Most recent credit report	You need to ensure that you have listed ALL creditors. Failure to disclose all of your debts can result in those debts NOT being discharged.
Copied of any judgments obtained against you	An additional motion will need to be filed with the court to remove a judgment
